Subject: Nitrogen and Phosphorus Calculations for CSD
Attachments: Nitrogen calculations_csd 9_15.xlsx; Copy of Phosphorous.xlsx

Hi Michelle:

Attached are the spreadsheets with the information I used to calculate whether Central Sands Dairy over-applied Nitrogen or Phosphorus. Let's discuss after you have had a chance to review.

I am hoping we can talk soon because I plan to send out CSD's report describing that an area of concern are the over-application of Nitrogen and Phosphorus I calculated in these spreadsheets.

Sincerely,

Cheryl Burdett
